		Between 10:30 a.m. and 1 p.m. on 10 June 1952, local flying by biplanes was obser at Dresdon-Klotzsche airfield. At 11:13 a.m. three twin-engine transports crossed the field coming from the west. The planes circled once over the field at at altitude of about 300 meters before heading west. Local flying was again practice by biplanes on 12 June after 11:50 a.m. At 10:35 a.m., 7 DC-3s flying it wester formation crossed the field from west to east. At 11:30 a.m., three DC-1s approached the west, circled once over the field and then headed wost at an altitude of
	2.	at Dresdem-Klotzsche airfield. At 11:13 a.m. three twin-engine transports crossed the field coming from the west. The planes circled once over the field at an altitude of about 300 meters before heading west. Local flying was again practice by biplanes on 12 June after 11:50 a.m. At 10:15 a.m., 7 DC-3s flying in wedge formation crossed the field from west to east. At 11:30 a.m., three DC-1s approached the west, circled once over the field and then headed west at an altitude of about 500 meters. After 9 June, a radio truck with a telescopic antenna was located at the field about 200 meters from the southwestern field border. The antenna was extended to length of about 5 meters. A generator was in operation.
	2.	at Dresdem-Klotzsche airfield. At 11:13 a.m. three twin-engine transports crossed the field coming from the west. The planes circled once over the field stan altitude of about 300 meters before heading west. Local flying was equit practice by biplanes on 12 June after 11:50 a.m. At 10:15 a.m., 7 DC-3s flying in weste formation crossed the field from west to east. At 11:30 a.m., three DC-3s approached the west, circled once over the field and then headed wost at an altitude of about 500 meters. After 9 June, a radio truck with a telescopic antenna was located at the field about 200 meters from the southwestern field bonder. The antenna was extended to length of about 5 meters. A generator was in operation. Every day between 9 and 11 June, about 50 men, meaning black-bondered three smalled were observed engaged in sports near the former Hansa Building.
